EXPERIENCE

Tech Paradise
Bago - Myanmar
2018 - 2020

I worked as an IT assistant in Tech Paradise for two years. I helped to install, operate, and maintain computer networks, communication systems, and so on...

Yoon Han Thar
Yangon - Myanmar
2023 - 2024

I worked as a Senior Full Stack Developer in Yoon Han Thar for one year. I created web applications by using Next.js and mobile applications by using React Native. And I also worked as a project manager and I had an experience in negotiation with clients.
